

Sponsor Dayenu team

Dayenu (Sydney's Jewish GLBTI Group) has a team of people participating in the *Sydney Morning Herald's* Sun Run on February 5 to raise money for JewishCare, a non-profit organisation that provides child and family support services, mental health programs, disability services and community aged services. Dayenu is also working with them to establish support services for families that are struggling with the reality of a family member coming out of the closet. To sponsor Dayenu's running team, please go to: everydayhero.com.au/dayenu. It's for a great cause and your donations are tax-deductible.
