

# At odds with Torah teachings

WHAT Alex Greenwich and Roy Freeman from Dayenu (*AJN* 20/05) seem to have forgotten is that Judaism is based on a belief that this world, and everything in it, was created by the one God. Furthermore, Judaism is based on the laws as commanded by God in his Torah. These Jewish laws cannot be changed by civil laws or the “Orthodox”.

Consequently, their attack, on “Orthodox” Judaism is misdirected. Their argument, more properly, ought to be directed towards God. It is his Torah law that they wish to change.
